## **DIRECTIONS FOR USE**

To be used only in the manufacture of a pesticide which is registered under the *Pest Control Products Act*.

## **PRECAUTIONS**

### **PREVENT ACCESS BY UNAUTHORIZED PERSONNEL**

Severely irritating to the eye. DO NOT get in eyes.  
Wash thoroughly with soap and water after handling.

### **FIRST AID:**

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

**IF SWALLOWED:** Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 – 20 minutes. Call a poison control centre or doctor for treatment advice.

**IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

### **TOXICOLOGICAL INFORMATION:**

Treat symptomatically.

Probable mucosal damage may contraindicate the use of gastric lavage.

### **DISPOSAL**

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal and provincial or territorial regulations. For additional details and cleanup of spills, contact the registrant and the provincial or territorial regulatory agency.

For information on the disposal of unused, unwanted product, contact the registrant or the provincial or territorial regulatory agency. Contact the registrant and the provincial or territorial regulatory agency in case of a spill, or for the clean-up of spills.

### **NOTICE TO USER:**

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.
